

Merchant Industry

Scale Faster. Earn More. Partner Smarter!

Take full control of your merchant services business with our proprietary CRM, designed for growth, automation, and flexibility. Built specifically for ISOs, our CRM offers true customization, total data control, and the tools you need to simplify operations, manage teams, and scale with confidence.

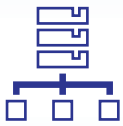

White Labeled Dashboard

Your brand, your CRM.

Hierarchical Office Structure

Manage multi-level agents with ease.

3 Onboarding Methods

Online, in-person, or through our CRM Quick Boarding system.

Automated Sub-Agent Payouts

Pay sub-agents directly yourself or let us handle it for you.

Residual Reporting Breakdown

Drill into earnings by merchant, agent, or office.

Full Schedule A & Sub-Agent Reporting

Transparent breakdowns across tiers.

Office/Sub-Agent Management

Streamlined CRM access for your teams.

Custom Pricing Templates

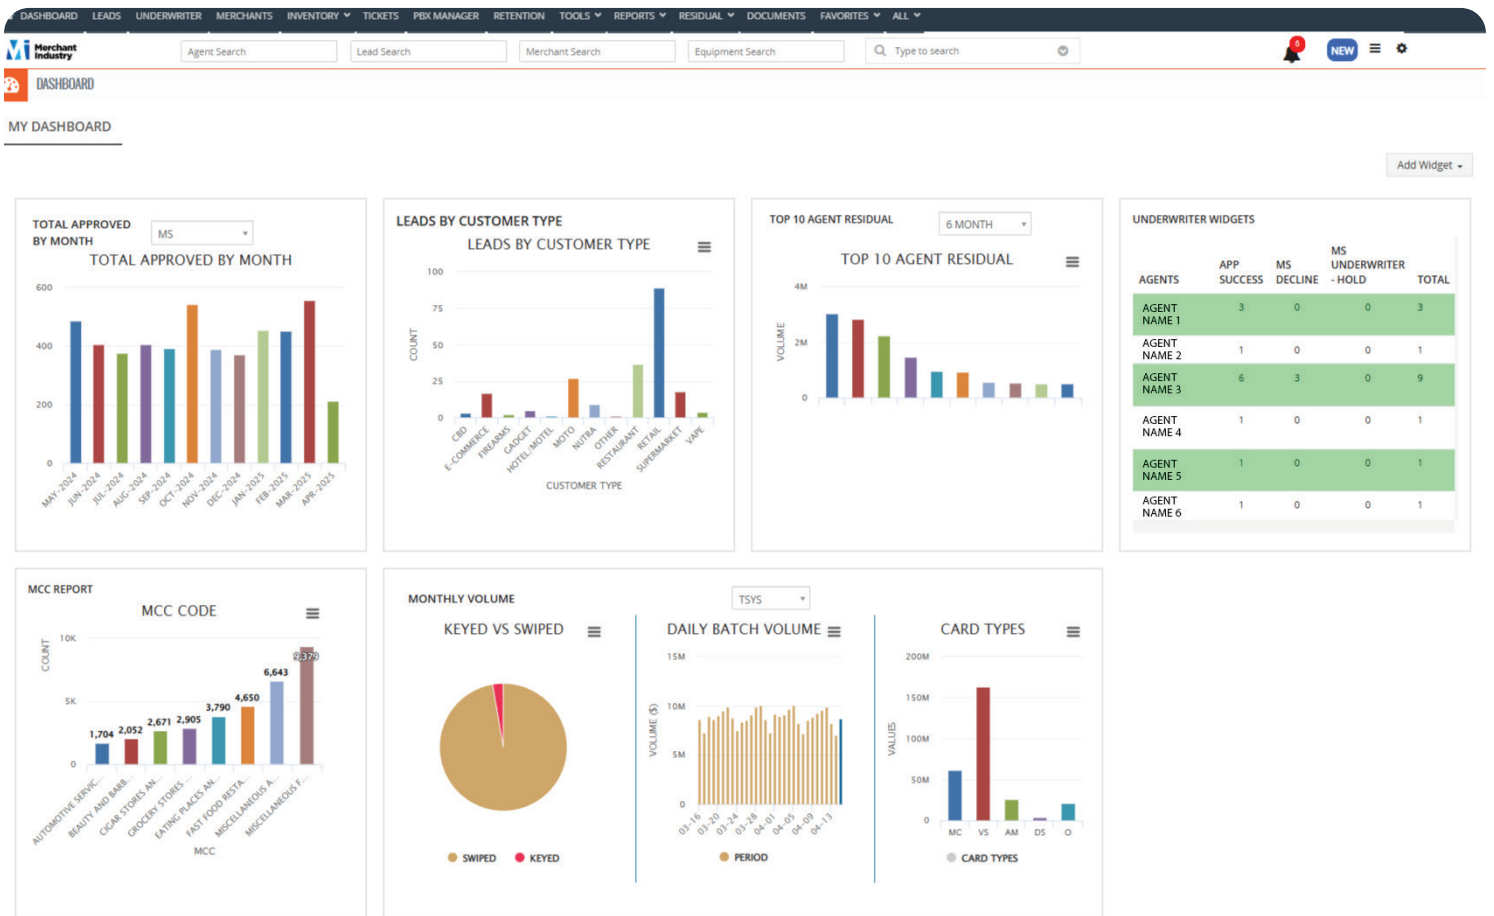

Build and deploy custom Schedule A templates.

This is more than just a CRM. It is a long-term partner in your success. With full ownership, no licensing restrictions, and the freedom to adapt as your business evolves, our CRM gives you the power to grow smarter, move faster, and lead with confidence in a competitive industry.
